Rubberized Canvas Pallet Cover

Needham Industrial Sales Inc. offers the Weather Shield Reusable Rubberized Canvas Pallet Cover. The product has a heavy-duty weather-resistant canvas construction with a double-thick canvas top surface. Its overlapping end flaps have rope ties. It can protect several different pallet sizes ranging from 36 by 48 inches to 48 by 48 inches.

Color-coded by size for easy identification, the canvas is also mold- and mildew-resistant. As an optional theft deterrent, the pallet covers are available with "Property of Your Company Name" markings.

Disposable Polyethylene Pallet Cover

Advertise your company while protecting your products during shipping and while on the job sites. Custom imprinted to your specifications.

Disposable 5 mil polyethylene covers packaged on rolls 4 foot and 8 foot long shipped in pallets.

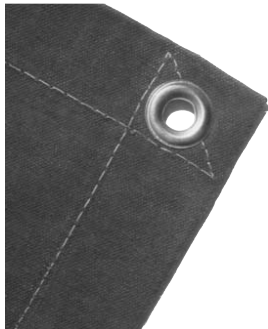

Available stock size for 4' x 8' and 4' x 4' pallets clear or white opaque.

Custom sizes and colors available upon request.
